# OPENING OF SHELLFISH WATERS IN JENNYS CREEK AND LITTLE THOROFARE

## ENVIRONMENTAL PROTECTION WATER MONITORING AND STANDARDS

### Public Notice of Opening of Shellfish Waters

The waters of Jennys Creek, (also known as Jimmies Creek), and Little Thorofare in Ocean County are hereby open for harvest, with the exception of waters adjacent to Cape Horn Marina, that are upstream from a straight line connecting two Department maintained markers located near the mouth of Cape Horn Marina, specifically:

*The waters that will remain classified as Special Restricted are, all those waters of Cape Horn Marina and tributaries upstream of a line starting at a Department maintained marker located at the mouth of Jennys Creek with coordinates latitude 39 degrees 32 minutes 35.0 seconds N. and longitude 74 degrees 20 minutes 10.8 seconds W., then heading in an easterly direction to a Department maintained marker located at the mouth of the cove with coordinates of latitude 39 degrees 32 minutes 29.9 seconds N. and longitude 74 degrees 20 minutes 1.1 seconds W, and terminating.*

Any questions can be directed to the Bureau of Marine Water Monitoring at (609) 748-2000.
