CLOSURE OF SHELLFISH BEDS

ENVIRONMENTAL PROTECTION WATER MONITORING AND STANDARDS

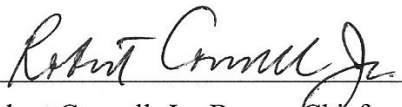

Public Notice of the Closure of Shellfish Beds Dangerous to Health

Pursuant to statutory authority granted the Department of Environmental Protection appearing at N.J.S.A. 13:1B-4 and 58:24-1 et seq., and to assure that the public health is not imperiled by the consumption of shellfish that may be subject to pollution or to any other conditions which may render shellfish dangerous to health because of degraded water quality resulting from the release of sewage from a broken sewer line into the waters of West Canal, Ventnor City, Atlantic County, the Department hereby condemns and prohibits the harvesting of all shellfish from those State waters previously classified as Approved waters of the Lakes Bay area, specifically:

All the Approved waters of Lakes Bay and Shelter Island Bay that are north of the Margate-Northfield Boulevard, (Rt. 662).

This prohibition shall take effect immediately and continue until FURTHER NOTICE.

DATE: August 10, 2008

Robert Connell, Jr., Bureau Chief

Closure of Shellfish Beds (Lakes Bay area)
