

**NOTICE OF OPPORTUNITY FOR PUBLIC COMMENT  
ON AN AIR POLLUTION CONTROL PRECONSTRUCTION PERMIT**

---

**Facility:** Seaside Cemetery Company  
**Program Interest (PI): #73000 / Permit Activity Number: PCP #240001**

The New Jersey State Department of Environmental Protection (NJDEP) is seeking public comment on its intent to approve an Air Pollution Control Preconstruction Permit for Seaside Cemetery Company pursuant to the provisions of Air Pollution Control Act of Chapter 106, P.L. 1967 (N.J.S.A. 26:2C-1 et. seq.) and state regulation promulgated at N.J.A.C. 7:27-8. These rules require that any significant source of air contaminant emissions must obtain a preconstruction permit prior to construction, reconstruction, installation, or modification.

**FACILITY INFORMATION**

Seaside Cemetery Company located 559 Rt 9 S, Marmora, NJ, 08223, plans to replace one human cremation retort with a maximum processing capacity of 100 pounds per hours with a new human cremation retort with a maximum processing capacity of 150 pounds per hour for a net increase of 50 pounds per hour for the facility. The facility will monitor and record the material throughput, the temperature at the exit of the secondary chamber, and the hours of operation to ensure that the emission limits of the permit are not exceeded.

**PUBLIC COMMENTS AND CONTACT INFORMATION**

This public notice and the draft preconstruction permit have been posted at the Air Quality Permitting website: <https://dep.nj.gov/boss/public-notices/>. Copies of these documents and additional information on this draft permit can be obtained by emailing Connor Lapiska at [Connor.Lapiska@dep.nj.gov](mailto:Connor.Lapiska@dep.nj.gov).

All persons, including the applicant, who believe that any condition of the draft preconstruction permit or the Department's tentative decision to approve this permit is inappropriate, must raise all reasonable issues of concern and submit all arguments and factual grounds or materials supporting their position during the public comment period. Any comments on this draft permit must be received by September 8th, 2024 and emailed to [Connor.Lapiska@dep.nj.gov](mailto:Connor.Lapiska@dep.nj.gov), or addressed to Connor Lapiska, Bureau of Stationary Sources, New Jersey Department of Environmental Protection, 401 E State Street, 2nd Floor, PO Box 420, Mail Code 401-02, Trenton, New Jersey 08625-0420.

Any person may request that the Department hold a public hearing on the draft permit. A request for a public hearing shall be submitted, in writing, by September 8th, 2024 and addressed to the Department at the Trenton address listed above. The request for a public hearing shall include a statement of issues to be discussed at the public hearing. The statement of issues shall be relevant to the draft permit under review by the Department.
