This permit is for the new construction of a proposed 30,000-gallon per day discharge from a wastewater treatment plant that will accept sanitary wastewater from the proposed Seneca High School located on Carranza Road in Tabernacle Township, Burlington County.</p> <p>A draft permit was issued on February 8, 2001. Public Notice of this draft permit appeared in the February 14, 2001 DEP Bulletin and the February 9, 2001 issue of the Burlington County Times, with the public comment period ending 30 days after publication of that notice in that newspaper. Subsequently, the final permit was issued to the applicant (the Lenape Regional High School District) on May 31, 2001 with an effective date of July 1, 2001.</p> <p>Although requests for a public hearing were received during that public comment period, the Department did not hold a public hearing before issuing the final permit. A procedural concern was raised regarding the lack of a public hearing. Having considered the hearing requests in light of the record, Bradley M. Campbell, then Acting Commissioner of the Department, issued an Order of Stay and Remand, dated February 20, 2002. This Order stayed NJPDES-DGW Permit No. NJ0136239, and remanded it to the NJDEP Bureau of Nonpoint Pollution Control to reopen the public comment period and consideration of this matter, and to hold a public hearing in accordance with N.J.A.C. 7:14A-15.12. Written comments submitted during the initial public comment period, as well as the Department's final responses to those comments, remain part of the administrative record. Therefore, the comments do not have to be re-submitted.</p> <p>(Continued on next page)</p>
