In compliance with the Rules and Regulations Governing 90 Day Construction Permits (NJAC 7:1C-1.1 et seq.) this semi-monthly publication contains a list of construction permit applications recently filed or acted upon by the DEP. Using the Application Milestone Codes located on the inside front cover, interested persons can determine the status of Coastal Area Facility Review Act (CAFRA) permits, Federal Consistency Activity permits, Freshwater Wetlands Individual and Statewide General permits, General Groundwater Petroleum Products Cleanup permits, Open Water Fill permits, Solid Waste Facility permits (SWF), Stream Encroachment (SE) permits, Tidal Wetlands permits, Waterfront Development permits and Treatment Works Approvals (TWA).

In addition, a calendar of Events of Interest and a Schedule of Public Hearings is provided. The public hearings listed do not, however, constitute an official notice. Environmental Impact Statements acted upon during the period are also shown. Additional information concerning the permit applications can be obtained by calling the project manager at the appropriate office listed on the inside back cover.

**NOTICE OF PUBLIC HEARINGS
PROPOSED LAND EXCHANGE WITH THE DAISY GARDEN CENTER
HOWELL TOWNSHIP, MONMOUTH COUNTY**

Take Notice that in accordance with *N.J.S.A. 13:1D-51 through -58*, the State of New Jersey, Department of Environmental Protection, Green Acres Program, will hold two **public hearings** to seek comments on a proposed land exchange between the State of New Jersey and the Daisy Garden Center, a commercial nursery establishment located at 219 Squankum Road in Farmingdale (Howell Township), Monmouth County.

In 1989, the Green Acres Program acquired Block 49, Lot 20.02, a 2.8-acre parcel located along Lakewood-Farmingdale Road in Howell Township, Monmouth County. This property was acquired on behalf of the New Jersey Water Supply Authority (NJWSA) for the operation and maintenance of the Manasquan Reservoir. Although Block 49, Lot 20.02 was never legally conveyed by the Department to the NJWSA, it will be at some point in the future. The NJWSA operates and maintains a 66-inch high-pressure reservoir force main pipeline that runs through the property.

In order to resolve ongoing litigation between the State and the owners of the adjacent Daisy Garden Center concerning the use by the nursery of a portion of Block 49, Lot 20.02, the Department and the NJWSA wish to secure State House Commission approval for the conveyance in fee of 1.3 acres of Block 49, Lot 20.02 in exchange for a 1.6-acre portion of Block 49, Lot 20.01 (currently owned by the Daisy Garden Center). The property to be conveyed by the State to the Daisy Garden Center is currently and will continue to be used as part of the commercial nursery operation. The property to be conveyed by the Daisy Garden Center to the State will be managed by the Department and the NJWSA as part of the Manasquan Reservoir.

The owners of the Daisy Garden Center have also requested an approximately 20-foot wide by 227.5-foot long (approximately 4550 s.f.) easement to allow access by pedestrians, horses and sheep to Block 49, Lot 20.01 from Block 49, Lot 21.01. Restrictions on the access easement will protect the integrity of the underground utilities in this location. As a condition of the land exchange, the Daisy Garden Center has also agreed to place a fence along the new property boundary at its own expense to deter future encroachment.

The **first public hearing** on the proposed land exchange will be held on:

Wednesday, March 5, 2003 at 4:00PM at the
Monmouth County Library Headquarters located at
125 Symmes Drive
Manalapan, New Jersey 07726
(732) 431-7220

The hearing record for the first public hearing will close on March 12, 2003. Interested persons may obtain information from Leilani Hershey in the Green Acres Program at the address below and may submit written comments to Ms. Hershey until the close of business on March 12, 2003.

The **second public hearing** will be held on:

Wednesday, March 19, 2003 at 4 PM at the
Department of Environmental Protection
3rd floor large conference room
501 E. State Street
Trenton, New Jersey 08625

The hearing record for the second public hearing will close on March 26, 2003. Interested persons may obtain information from Leilani Hershey in the Green Acres Program at the address below and may submit written comments to Ms. Hershey until the close of business on March 26, 2003.

Persons wishing to make oral presentations at either of the public hearings are asked to bring a written copy of their comments to the hearing for use by the Department. For further information on the proposed land exchange, please contact:
