The Department of Environmental Protection, Division of Fish and Wildlife wishes to obtain State House Commission approval to convey up to a 42-acre portion of Block 107, Lot 37 in the Town of Hackettstown, Warren County to Centenary College. The conveyance was requested by the college in order to alleviate a dire shortage of athletic facilities for students at the college. It is currently administered by the Department of Environmental Protection, Division of Fish and Wildlife as part of the Charles O. Hayford State Fish Hatchery. Of the 42 acres that may be conveyed, 25 are currently farmed and the remainder are wooded. If more than 25 acres are sold, the wooded portions of the property will be restricted as buffer areas to the athletic fields. The Department of Environmental Protection has no current plans to expand hatchery operations onto this property.

The compensation for the proposed sale is currently under negotiation. However, Centenary College will pay the State at least the fair market value of the property as determined by two appraisals to be commissioned by the State.
