## General Information

---

The DEP Bulletin is an information service provided by the New Jersey Department of Environmental Protection. In compliance with the Rules and Regulations Governing 90 Day Construction Permits (NJAC 7:1C-1.1 et seq.) this semi-monthly publication contains a list of construction permit applications recently filed or acted upon by the DEP. Using the Application Milestone Codes located on the inside front cover, interested persons can determine the status of Coastal Area Facility Review Act (CAFRA) permits, Federal Consistency Activity permits, Freshwater Wetlands Individual and Statewide General permits, General Groundwater Petroleum Products Cleanup permits, Open Water Fill permits, Solid Waste Facility permits (SWF), Stream Encroachment (SE) permits, Tidal Wetlands permits, Waterfront Development permits and Treatment Works Approvals (TWA).

In addition, a calendar of Events of Interest and a Schedule of Public Hearings is provided. The public hearings listed do not, however, constitute an official notice. Environmental Impact Statements acted upon during the period are also shown. Additional information concerning the permit applications can be obtained by calling the project manager at the appropriate office listed on the inside back cover.

Public Hearings are held for the purpose of obtaining input and reaction to a proposed rule, regulation, or new program. Some hearings may be mandated by law. Generally their scope of impact is statewide or of broad general interest and open to the public.

Contested Case Hearings are held between the State and a particular party involving an application, enforcement violation or an appeal. Interest in these hearings is generally limited to those directly involved.

DEP Events of Public Interest include public hearings, council meetings, workshops, public information meetings, and exams.

**DEPARTMENT OF ENVIRONMENTAL PROTECTION  
GREEN ACRES PROGRAM  
NOTICE OF PUBLIC HEARINGS ON  
PROPOSED LAND EXCHANGE WITH THE COUNTY OF MONMOUTH**

**Take Notice** that in accordance with *N.J.S.A.13:1D-51* through *-58*, the State of New Jersey, Department of Environmental Protection, Green Acres Program, will hold two **public hearings** to seek comments on a proposed land exchange between the State of New Jersey and the County of Monmouth involving property located in the Township of Freehold, Monmouth County.

The Department of Environmental Protection (“Department”) and the County of Monmouth propose to enter into a land exchange in order to consolidate their respective landholdings and straighten out the ownership boundary between the State-owned 3600-acre Turkey Swamp Wildlife Management Area and Monmouth County’s 1168-acre Turkey Swamp Park in Freehold Township, Monmouth County. As part of this exchange, the Department proposes to convey 307 acres of property to Monmouth County (Block 93, portions of Lots 34, 50.02, 52, 75, 76 and 77 in Freehold Township). The State property, which is managed by the Division of Fish and Wildlife, is undeveloped open space in the vicinity of County Routes 527 and 537 and the boundary with Ocean County. The property to be conveyed to the County of Monmouth will be deed restricted for recreation and conservation purposes, including hunting.

In exchange, the County of Monmouth proposes to convey to the State its partial undivided interest in a 925.2-acre parcel in Freehold Township known as the West Turkey Swamp property. The parcels to be conveyed by Monmouth County are as follows:

Block 102, Lots 19.01-19.04, 32-34, 34.01, 35, 35.02, 36, 37, 41, 42, 76, 82, 84, 86, 92, 93.02, 95, 95.01, 95.04, 95.06, 96, 96.01, 96.02 and 98  
Block 110, Lots 7, 10, 11, 13-18, 18.01-18.03, 19, 20-23, 23.01, 25.01, 26, 26.01, and 28  
Block 111, Lots 7, 8, 12, 12.02, 14, 16, 25 and 12.01.2 (formerly 12.01)

The County’s land was acquired to protect the headwaters of the Manasquan and Metedeconk Rivers, two potable water sources, as well as for open space preservation, natural resources conservation and public recreation. This exchange is proposed so the County and the State can consolidate their respective property interests, better manage their landholdings and straighten their mutual ownership boundary. There will be no net loss of public open space as a result of the proposed land exchange and no immediate change in use.

The **first public hearing** on the proposed land exchange will be held on:

Wednesday, October 20, 2004 at 7:00 PM  
(to 9:00 PM or close of testimony, whichever comes first) at the  
Freehold Township Municipal Building located at  
1 Municipal Plaza  
Freehold, New Jersey 07228  
(732) 294-2000

The hearing record for the first public hearing will close on October 27, 2004. Interested persons may obtain information from David R. Smith in the Green Acres Program at the address below and may submit written comments to Mr. Smith until the close of business on October 27, 2004.

The **second public hearing** will be held on:

Wednesday, November 3, 2004 at 4 PM

(to 6:00 PM or close of testimony, whichever comes first) at the  
Department of Environmental Protection  
3rd floor large conference room located at  
501 E. State Street  
Trenton, New Jersey 08625

The hearing record for the second public hearing will close on November 10, 2004. Interested persons may obtain information from David R. Smith in the Green Acres Program at the address below and may submit written comments to Mr. Smith until the close of business on November 10, 2004.

Persons wishing to make oral presentation at either of the public hearings are asked to bring a written copy of their comments to the hearing for use by the Department. For further information on the proposed land exchange, please contact:
