NEW JERSEY DEPARTMENT OF ENVIRONMENTAL PROTECTION FRESHWATER WETLANDS VIOLATION

PLEASE TAKE NOTICE THAT THE DEPARTMENT OF ENVIRONMENTAL PROTECTION (“Department” or “NJDEP”) intends to enter into a Stipulation of Settlement (“Settlement”) to resolve violations of the Freshwater Wetlands Protection Act, N.J.S.A. 13:9B-1 et. seq.

The Settlement requires the property owner to restore approximately 20,000 square feet of Exceptional Resource Value wetland transition area, involving the removal of a 490 linear foot section of roadway, the regrading of those areas to pre-disturbance grades, and stabilization of the affected areas by plantings and seeding.

Because of a prior subdivision approval, the Settlement allows for the construction of one residential structure which is considered Exempt from the provisions of the Highlands Water Protection and Planning Act (N.J.S.A. 13:20-1 et seq.). The Settlement also acknowledges that Bryce may pursue the construction of a second Non-Exempt residential structure, subject to Bryce’s receipt of all necessary federal, state and local approvals, including municipal subdivision approval and all permits required by NJDEP. The Settlement does not obligate the Department to issue any permits for the second residential structure.

The Settlement also requires the execution of a Deed of Development Restriction for the approximately 26-acre site, and the filing of the said deed with the Office of the Passaic County Clerk. Finally, the Settlement requires the payment of a monetary penalty.

IN THE MATTER OF: Bryce Builders, LLC
 Enforcement File #1611-02-0004.1
