General Information

The DEP Bulletin is an information service provided by the New Jersey Department of Environmental Protection. In compliance with the Rules and Regulations Governing 90 Day Construction Permits (NJAC 7:1C-1.1 et seq.) this semi-monthly publication contains a list of construction permit applications recently filed or acted upon by the DEP. Using the Application Milestone Codes located on the inside front cover, interested persons can determine the status of Coastal Area Facility Review Act (CAFRA) permits, Federal Consistency Activity permits, Freshwater Wetlands Individual and Statewide General permits, General Groundwater Petroleum Products Cleanup permits, Open Water Fill permits, Solid Waste Facility permits (SWF), Stream Encroachment (SE) permits, Tidal Wetlands permits, Waterfront Development permits and Treatment Works Approvals (TWA).

In addition, a calendar of Events of Interest and a Schedule of Public Hearings is provided. The public hearings listed do not, however, constitute an official notice. Environmental Impact Statements acted upon during the period are also shown. Additional information concerning the permit applications can be obtained by calling the project manager at the appropriate office listed on the inside back cover.

Public Hearings are held for the purpose of obtaining input and reaction to a proposed rule, regulation, or new program. Some hearings may be mandated by law. Generally their scope of impact is statewide or of broad general interest and open to the public.

Contested Case Hearings are held between the State and a particular party involving an application, enforcement violation or an appeal. Interest in these hearings is generally limited to those directly involved.

DEP Events of Public Interest include public hearings, council meetings, workshops, public information meetings, and exams.

NEW JERSEY DEPARTMENT OF ENVIRONMENTAL PROTECTION

NOTICE OF INTENT TO SETTLE APPEAL OF

CAFRA PERMIT APPLICATION DENIAL

TAKE NOTICE THAT THE DEPARTMENT OF ENVIRONMENTAL PROTECTION (DEP) intends to settle the pending appeal of CAFRA Permit Application Denial File #1525-97-0002.3 (OAL Docket No. ESA 08429-99S). Under the settlement, Anthony Storino t/a/ Jenkinson's and Jenkinson's Pavilion, Inc, Jenkinson's Boardwalk and related entities ("Jenkinson's") will remove the existing fence that currently prevents the public from entering upon the south jetty of the Manasquan Inlet east of the Point Pleasant boardwalk, thus allowing public access to and use of an important public resource for walking, fishing and the like. The settlement will allow the applicant, Jenkinson's, to install on the beach, on block 180, lot 2, a four (4) foot high dune or fence ("dune or fence") parallel to the south jetty of Manasquan Inlet, Point Pleasant Beach. It shall begin at the boardwalk and extend towards the Atlantic Ocean, terminating ten (10) feet west of the landward, westward end of the jetty dollozes (concrete jax-shaped members). Jenkinson's shall provide a dune or fence construction plan to the DEP by January 12, 2007. Within 45 days of DEP's approval of the plan, construction by Jenkinson's of said dune or fence shall commence. Jenkinson's further agrees that individuals shall not be prevented from accessing the ocean and the ocean front lands below the mean high water line ("wet sand") from the jetty and may access these public trust lands at the eastern edge of the dune or fence and acknowledges that such individuals have a public right of free passage along a strip of ocean front lands above the mean high water line ("dry sand"). For individuals entering from the jetty to the dry sand area westward of the above-referenced strip to use of the beach, Jenkinson's may charge such individuals Jenkinson's then-customary beach fee to permit such access, subject to the public trust doctrine. Fees will not be charged for beach access and use when the beaches are closed during the off season or for inclement weather year round, or for fishing access before or after normal business hours, though fees may be charged for special events. No fee will be charged for children under 5 years of age. Reasonable fees may be charged for children between 5 and 12 years for use of amenities such as play areas and changing areas and for admission to other attractions and promotions. The design of the new dune or fence will provide for emergency vehicle access to the jetty and for the removal/addition of sections at the easternmost end to the extent necessary to provide a ten (10) foot area of dry sand to allow the aforementioned public access along the ocean front.

The settlement will allow Jenkinson's to retain on the beach area permanent wood decks on the east and north sides of the Pavilion on block 212, lots 1.02 & 1.03 and a concrete beach access ramp and deck on lot 1.03. Jenkinson's will retain a concrete beach access landing and shower head on block 212, lot 2. Jenkinson's will retain a concrete beach access walkway and two (2) shower heads on block 180, lot 2, and the footings for a seasonal wood stage straddling block 212, lot 2 and block 180, lot 2. Jenkinson's will retain permanent wood decking on block 180, lot 3. Also, beach access steps on block 212, lot 2 will be retained. Temporary, seasonal, structures on the beach area of the above lots include event tents, wood walkways, volleyball nets, umbrella shacks, lifeguard storage lockers, wood stages and wood decking. The seasonal structures may be installed annually for five years from the date of the settlement, provided that they are operated in accordance with N.J.A.C. 7:7-7.26 with regard to time in place, location on the beach, and limited manipulation of the beach surface. Subsequently, Jenkinson's shall obtain DEP permits to operate any seasonal temporary structures related to the tourism industry. The permanent and seasonal structures are shown on a plan in three (3) sheets entitled, "Plan of Property, Lots 2 & 3, Block 180, Lots 2, 1.02 & 1.03, Block 212, Borough of Point Pleasant Beach, Ocean County" prepared by Charles Surmonte P.E. & P.L.S., dated January 22, 2004, with sheet 2 of 3 revised to July 28, 2006. Jenkinson's shall obtain necessary permits from DEP for any future beach maintenance activities listed in N.J.A.C. 7:7E-3A.

Comments regarding this settlement, or requests for copies of the stipulation of settlement or the plan, may be sent to Helen Owens, Project Manager, Land Use Management, P.O. Box 402, Trenton, NJ 08625-0402, fax (609) 633-0750, or telephone (609) 292-2178. Comments must be received by NJDEP within 10 days of this publication, or by December 15, 2006.
