Hercules Incorporated
50 South Minisink Avenue
Borough of Sayreville, Middlesex County
EPA ID No. NJD 002 156 925

The Department has determined that a situation exists at the Hercules Inc. facility that warrants the issuance of a temporary emergency permit in accordance with the regulations at 40 CFR 270.61. The extent and duration of the permit cover only those activities which are deemed necessary to alleviate the situation.

DESCRIPTION

Subject to the conditions identified in the permit, Hercules Inc. is authorized to thermally treat by open burning eight (8) wooden tubs grossly contaminated with nitrocellulose that are located at the Hercules Inc. facility at 50 South Minisink Avenue, Parlin, NJ 08859. Due to the reactive nature of the contaminants present in the wooden tubs, it has been determined that they are too dangerous for Hercules Inc. personnel to decontaminate before sending them to a landfill. Therefore, Hercules Inc. has been authorized to open burn the debris from these wooden tubs in three burning events; each event consisting of one thousand five hundred (1,500) cubic feet of wooden tub debris.
