## General Information

---

The DEP Bulletin is an information service provided by the New Jersey Department of Environmental Protection. In compliance with the Rules and Regulations Governing 90 Day Construction Permits (NJAC 7:1C-1.1 et seq.) this semi-monthly publication contains a list of construction permit applications recently filed or acted upon by the DEP. Using the Application Milestone Codes located on the inside front cover, interested persons can determine the status of Coastal Area Facility Review Act (CAFRA) permits, Federal Consistency Activity permits, Freshwater Wetlands Individual and Statewide General permits, General Groundwater Petroleum Products Cleanup permits, Open Water Fill permits, Solid Waste Facility permits (SWF), Stream Encroachment (SE) permits, Tidal Wetlands permits, Waterfront Development permits and Treatment Works Approvals (TWA).

In addition, a calendar of Events of Interest and a Schedule of Public Hearings is provided. The public hearings listed do not, however, constitute an official notice. Environmental Impact Statements acted upon during the period are also shown. Additional information concerning the permit applications can be obtained by calling the project manager at the appropriate office listed on the inside back cover.

Public Hearings are held for the purpose of obtaining input and reaction to a proposed rule, regulation, or new program. Some hearings may be mandated by law. Generally their scope of impact is statewide or of broad general interest and open to the public.

Contested Case Hearings are held between the State and a particular party involving an application, enforcement violation or an appeal. Interest in these hearings is generally limited to those directly involved.

DEP Events of Public Interest include public hearings, council meetings, workshops, public information meetings, and exams.

**NEW JERSEY DEPARTMENT OF ENVIRONMENTAL PROTECTION**  
**NOTICE OF INTENT TO SETTLE**  
**HIGHLANDS WATER PROTECTION AND PLANNING ACT**

**TAKE NOTICE THAT THE DEPARTMENT OF ENVIRONMENTAL PROTECTION**, Division of Watershed Management, intends to enter into a Settlement Agreement with Black Oak Golf Course, L.L.C. that finds that the Black Oak Golf Course is exempt from the Highlands Water Protection and Planning Act. Black Oak Golf Course is located on property designated as Block 18, Lots 1.09, 2, 3, 6, 8, 10, 21, 21.04, 27, 27.05, 28, 29, and 29.01 on the tax maps of Washington Township, Morris County, New Jersey. The Highlands Act exemption is based on revised golf course plans, consisting of 36 sheets entitled "Plans for Black Oak Golf Club," by Ferriero Engineering, dated November 3, 2000, last revised June 4, 2007. These plans, together with conditions included in the proposed settlement, result in a major Highlands development that does not require any of the permits from the Department of Environmental Protection listed at N.J.S.A. 13:20-28a.3. The Settlement Agreement requires daily monitoring and monthly reporting of water use and wastewater generation to ensure that no additional DEP permits are needed. Therefore, based on the December 9, 2002 preliminary major site plan approval for Black Oak Golf Course granted by the Planning Board of the Township of Washington, and provided that this local approval remains valid, Black Oak Golf Course is exempt from the Highlands Water Protection and Planning Act. Upon notice of Final Settlement, the Settlement Agreement will resolve the appeal by Black Oak Golf Course of DEP's denial of Black Oak's application for a Highlands Act exemption, and will withdraw DEP's prior Notice of Violation.

The Settlement Agreement and “Plans for Black Oak Golf Club” may be viewed upon request to Lawrence J. Baier, Director, Division of Watershed Management, P.O. Box 418, 401 East State Street, Trenton, New Jersey 08625-0418 or by telephoning (609) 984-0058.

Written comments regarding this settlement must be addressed to Lawrence J. Baier, Director, Division of Watershed Management, P.O. Box 418, 401 East State Street, Trenton, New Jersey 08625-0418. Comments must be received within thirty (30) days of publication, which is by September 7, 2007.

This minor modification covers the following changes: The T1 master general permit was renewed in June 2003, with a prior minor modification issued 11/16/2005.
