Treatment Works Approval: A TWA permit is required for the construction, modification or operation of a treatment works, including sanitary/industrial sewage pretreatment or treatment systems, sewage conveyance systems, sewer extensions and subsurface sewage disposal systems.

Waterfront Development: A permit is required for any project involving the development of waterfront near or upon any tidal or navigable waterway in the State.

General Information

The DEP Bulletin is an information service provided by the New Jersey Department of Environmental Protection. In compliance with the Rules and Regulations Governing 90 Day Construction Permits (NJAC 7:1C-1.1 et seq.) this semi-monthly publication contains a list of construction permit applications recently filed or acted upon by the DEP. Using the Application Milestone Codes located on the inside front cover, interested persons can determine the status of Coastal Area Facility Review Act (CAFRA) permits, Federal Consistency Activity permits, Freshwater Wetlands Individual and Statewide General permits, General Groundwater Petroleum Products Cleanup permits, Open Water Fill permits, Solid Waste Facility permits (SWF), Flood Hazard Area (FHA) permits, Tidal Wetlands permits, Waterfront Development permits and Treatment Works Approvals (TWA). In addition, this publication lists status of Highlands application and Highlands Applicability Determinations.

In addition, a calendar of Events of Interest and a Schedule of Public Hearings is provided. The public hearings listed do not, however, constitute an official notice. Environmental Impact Statements acted upon during the period are also shown. Additional information concerning the permit applications can be obtained by calling the project manager at the appropriate office listed on the inside back cover.

Public Hearings are held for the purpose of obtaining input and reaction to a proposed rule, regulation, or new program. Some hearings may be mandated by law. Generally, their scope of impact is statewide or of broad general interest and open to the public.

Contested Case Hearings are held between the State and a particular party involving an application, enforcement violation or an appeal. Interest in these hearings is generally limited to those directly involved.

DEP Events of Public Interest include public hearings, council meetings, workshops, public information meetings, and exams.

Appeals on Applications

**NOTICE OF PUBLIC COMMENT PERIOD
REGARDING A SOLID WASTE FACILITY PERMIT FOR A SOLID WASTE TRANSFER STATION**

The New Jersey Department of Environmental Protection, Division of Solid & Hazardous Waste, hereby gives notice that it has tentatively approved a Solid Waste Facility Permit Renewal application for Cavalier Environmental Compliance Services (CECS).

The application for a Solid Waste Facility Permit Renewal was submitted in accordance with the requirements established at N.J.A.C. 7:26-2. The facility is currently permitted to accept waste type 13C with an approved capacity of 400 tons per day of waste. CECS is not seeking any changes to the Solid Waste Facility Permit at this time.

The public comment period on the draft permit action begins on the date of the publication of this notice and will close within thirty (30) days of this publication. Any interested person may submit written comments during this period to the Department concerning the draft permit action to:

Anthony Fontana, Chief
New Jersey Department of Environmental Protection
Division of Solid & Hazardous Waste
Bureau of Solid Waste Permitting
Mail Code 401-02C
401 E. State Street, P.O. Box 420
Trenton, New Jersey 08625-0420
(609) 292-9880

Upon written request of any interested party, which raises issues of fact relevant to the proposed agency action within thirty (30) days of this publication, a public hearing will be scheduled regarding the proposed agency action. The application and all other supporting documents, as well as the draft Solid Waste Facility Permit and fact sheet are available for inspection at the above noted office of the Department's Division of Solid & Hazardous Waste, the office of Sparta Township Clerk, and the office of the Sussex County Clerk. Anyone who would like to obtain copies of the draft permit and a fact sheet for the facility should notify Mr. Martin Bendorf at the above address or contact him at (609) 292-2019.
