

Dental Amalgam Certification for New Users

Quick Guide

For additional resources and Frequently Asked Questions, please visit https://nj.gov/dep/dwq/pretreatment_dap.htm, or call the Bureau of Surface Water and Pretreatment Permitting at 609-292-4860.

1. Access the NJDEP Online Portal at <http://www.nj.gov/dep/online/>. In the box on the right labeled **New User?** click on the **Request Access to NJDEP Online** link. This link will take you through the following steps needed to complete your setup for NJDEP Online.

The screenshot shows the NJDEP Online portal homepage. At the top, there is a search bar and navigation links: DEP Home | About DEP | Index by Topic | Programs/Units | DEP Online. The main header includes the NJDEP logo and the text "your portal to e-government services". Below this, a welcome message reads: "Welcome to New Jersey Department of Environmental Protection's Online Business Portal".

The main content area is divided into two columns. The left column contains a paragraph about accessing the system and a list of services. The right column contains two sections: "Already a Registered User?" and "New User?".

Already a Registered User?

- Login to NJDEP Online**
- Some NJDEP Online services have associated fees. A Visa, MasterCard, Discover, American Express credit card, or a valid checking account is required for online payment of the required fees.

New User?

- Please read the following instructions carefully before continuing:
Registration Instructions
(PDF - 1.27MB)
- Request Access to NJDEP Online**

A red arrow points to the "Request Access to NJDEP Online" button.

2. **Request Access to NJDEP Online:** Enter your contact information (i.e. name, organization, and email address) and click the **Request** button. Important Note: If you have an existing *myNewJersey* account, the email address entered must match the email address associated with that account.
3. **Link Your NJDEP Online service to your myNewJersey account:** Conduct the following steps to link your NJDEP Online service to your *myNewJersey* account.
 - a. If you have an existing *myNewJersey* account, please enter your *myNewJersey* log on ID and password in section A of the webpage. Click the **Link NJDEP Online to My Account** button.
 - b. If you DO NOT have an existing *myNewJersey* account, please complete the information in Section B of the webpage to create a *myNewJersey* account. Click the **Create this new myNewJersey Account and Link NJDEP Online to It** button.

NOTE: We would recommend you use an email/password that is easy to remember, and will not change with staff turnover.

4. In the **Add Contact Info** tab, provide the appropriate contact information. Important Note: At least one contact telephone number is required to complete this step. When finished, click the **Continue** button.
5. In the **Setup Challenge Questions** tab, select five security questions and provide their responses. When finished, click the **Continue** button.
6. In the **Create Certification PIN** tab, enter and re-enter a certification PIN that will be used for electronically certifying Dental Amalgam Waste submission. When finished, click the **Continue** button.
7. **My Services:** Activate the checkbox next to the **Dental Waste Certifications** service. Click the **OK** button.

The screenshot shows the NJDEP online portal. At the top, there is a navigation bar with links like 'njhome', 'citizen', 'business', 'government', 'services A to Z', and 'departments'. Below this is a search bar and a 'Skip Navigation' link. The main header includes 'njdep' and 'new jersey department of environmental protection'. A secondary navigation bar contains tabs: 'My Workspace', 'User Profile', 'Certifications', 'Payments', 'Documents and Forms', and 'Permit Folder'. Below the tabs, it says 'Version: 10.1.05', 'Currently logged in: Elizabeth Salmi (ESALMI)', and 'Server: Server_2'. The 'MY SERVICES' section is active, showing a list of services. Under 'Division of Water Quality', the 'Dental Waste Certifications' checkbox is checked, indicated by a red arrow. Other services listed include 'Dam Safety', 'NJDES Monitoring Reports (DMRs, WCRs, RTRs)', 'Dental Waste Registration - New', 'Dental Waste Registration - Renewal', 'Stormwater Construction General Authorization', and 'MSRP Annual Report'.

8. **Add Facilities:** A warning screen will state that some selected services require facilities. Ignore this warning as you will be creating the facility. Just scroll down and click on the **Done** button.
9. On the **My Workspace** page, select **Dental Waste Certifications**.

A note states: 'Access to this electronic service selection and submittal area is granted by selecting facilities using the [user profile](#). Some services are accessible without selecting facilities as shown below.' Under the 'Division of Water Quality' section, the 'Dental Waste Certifications' link is highlighted with a red arrow. A 'Configure Services' button is visible at the bottom right.

10. **Dental Waste Certification Type:** Choose “New” and click on the **Continue** button.
11. **Existing Applications:** If this screen displays, click on the **Continue** button.

12. **Dental Waste Instructions:** Click **Continue**.
13. **Site Information:** Add the “**required**” information (indicated by an asterisk) for the NEW location and click **Continue**.
14. **Responsible Party:** Select “Insert From Existing Contact(s)” to obtain the Contact information previously entered. Once the information is populated, you may make changes as necessary. Click **Save**. Then when the screen redraws, click the **Continue** button.
15. **Applicability Phase I:** Answer **Yes** to the first question if your facility generates amalgam waste through placement or removal of amalgam, and then click on your type of Dental Practice. To select your multiple dental practices, press and hold “Ctrl” key on your keyboard and click on the appropriate practices. Click **Continue**.
16. **Terms and Conditions:** click the checkbox ☐ to accept the Terms and Conditions. Then click the **Yes** button.
17. **Registration Specific Information:** Under **Certify**, check one or both **Yes** as appropriate. Enter the **Total Number of Operatories/Chairs** and **Total Which MAY Produce Amalgam Waste**. Enter the **Make** and **Model** of **your separator**. Enter the Installation Date of your Separator(s). The Installation Date is when the actual separator was installed, not when the cartridge was replaced. If you do not know the exact date of installation use a best estimation date. Answer the Recycling Question. Then, **ONLY IF** recycling occurred, enter **Recycler NAME**. Click **Continue**.
18. **Service Certification:** Answer **Challenge Question** and hit **Submit**. Then, enter your **Certification PIN** in the box, and click **Certify**. (Note: If you forgot your Certification PIN, click on “Forgot Certification PIN” and follow the instructions.)
19. **Service Summary** screen will appear. Use Printer Friendly Version link (right-hand side) and **Print (Ctrl-P)** this information (2 pages) for your files.

Congratulations! You are finished certifying your facility.

Remember to renew your facility next year.

Be sure to save your login, password, PIN, and the answers to the security questions for easy registration next year!
