REBUILD BY DESIGN HUDSON RIVER

COMMENT FORM

Thank you for your comments; public input has been and will continue to be a critical component of the project. The screening criteria as applied in the Alternatives Analysis presented tonight will provide the basis for the selection of the Preferred Alternative in the NEPA decision making process.

1. Pleas	e place an X on the map to indicate the general where you live and/or work?	WEEHAWKEN WEEHAWKEN
2. What	features do you like from each of the Alternatives?	Linceln Harbor HBLR Station
		MEEHANKEN COVE
		The same of the sa
		/9th Street HBUR Station /
		The second of th
3. Wha	t features do you have concerns about from each of	
tne A	Alternatives?	1000X8N
		Zind Sifeet (HBLR Statuto)
		Hoboken HBLR Seminal
		JERSEY CHY.
