Application for Sale of Real Estate

Thank you for your interest in selling your land to the Green Acres Program.

The Green Acres Program works with landowners to preserve environmentally sensitive open space, water resources, and other natural and historic resources. Protected lands become part of the statewide system of parks, forests, wildlife management areas, and preserves.

When you sell your land to Green Acres, you leave a significant legacy—a legacy that will help protect the quality of life enjoyed by your children, your community, and future generations.
