

# BASS FISHING SEMINAR

Join NJDEP Fish & Wildlife's R3 Fishing Program for a **FREE** Bass Fishing Seminar. Geared towards experienced anglers seeking to expand their knowledge about both largemouth and smallmouth bass, two of the most sought-after gamefish in New Jersey.

## WHEN

Saturday, January 25, 2025  
at 10:00 a.m.

## WHERE

Batsto Village Historic Site  
Burlington County  
31 Batsto Rd.  
Hammonton, NJ 08037

## ABOUT THE SEMINAR

This seminar is approximately two hours long and will provide anglers with an in-depth presentation by NJ Fish & Wildlife fisheries biologist and bass fishing enthusiast, Chris Smith. The presentation will cover bass biology, management of lakes and ponds, seasonal movements and patterns, and a demonstration of lures and presentation techniques.

## REGISTRATION INFORMATION

Registration is limited and first come, first served.

Registration deadline is January 23, 2025, or when full.

Each person attending must complete the online application.
