To guarantee the best opportunity for public participation, all comments must now be made in person at all ENSAC meetings.
  *The Chairperson *may* afford additional opportunity for interested members of the public to provide input on agenda items when appropriate and constructive towards the Committee's deliberations. This Public Input period is afforded as a courtesy and is meant to provide an opportunity for the public to speak to concerns regarding endangered and nongame wildlife conservation that may not be on the meeting agenda. The Chairperson may limit the length of public comment as needed to retain a focus on conducting the business of the Committee, as is identified by the meeting agenda.
