

# Introduction to Muzzleloader Workshop

New Jersey's Fish & Wildlife's R3 Hunting & Shooting program is offering a **FREE** two-day Introduction to Muzzleloader Workshop on **Thursday, September 5, 2024, and Sunday, September 8, 2024**. This workshop is designed to introduce hunters and recreational shooters 18 years and older to a new opportunity to expand their hunting and shooting knowledge.

## Workshop Overview:

This workshop is open to hunters and recreational shooting enthusiast 18 years and older. The program will include a lecture portion and a hands-on range session. Throughout this two-day workshop, participants can expect to gain knowledge that will help them feel comfortable with shooting a muzzleloader and a .22 rifle. The first day of the workshop will be a required lecture that covers everything from equipment, to how to load, clean and handle a muzzleloader safely. The second day of the workshop will be a live range session where participants will get hands on experience loading and shooting a muzzleloader. **If you have your own muzzleloader and equipment, please feel free to bring it with you on the day of the range session.**
