

NORTHERN PIKE FISHING SEMINAR

Join NJDEP Fish & Wildlife's R3 Fishing Program for a **FREE** Northern Pike fishing seminar. This seminar is intended for experienced anglers seeking to gain practical knowledge to target this coolwater species.

WHEN

Saturday, February 8, 2025
at 10:00 a.m.

WHERE

Middlesex Public Library
Middlesex County
1300 Mountain Ave,
Middlesex, NJ 08846

ABOUT THE SEMINAR

This seminar will be approximately an hour and a half long and will provide anglers with an in-depth presentation on Northern Pike by NJ Fish & Wildlife fisheries biologist and fishing enthusiast, Justin Rozema. The presentation will cover biology, seasonal movements and patterns of northern pike, and how to target these aggressive fish.

REGISTRATION INFORMATION

Registration is limited and first come, first served.
Registration deadline is February 6, 2025, or when full.
Each person attending must complete the online application.
