# WINTER TROUT

## THE SECRET SEASON

Did you know... starting in 2001, New Jersey DEPs Fish & Wildlife does a winter trout stocking? We stock 4,000 trout all over 16 inches in 18 ponds and lakes throughout the state. You can find the full list of winter stocked locations and additional information on the winter stocking program [HERE](#).

Along with trout, starting in 2006, New Jersey DEPs Fish & Wildlife has been stocking Landlocked Salmon in 4 lakes throughout the state. Salmon stocking is done late October, early November when the surface water temp drops below 60°F. You can find the full list of salmon stocked locations and additional information on the salmon stocking program [HERE](#).

NJ state record Landlocked Salmon (8lbs 10oz)  
caught on September 30th, 2021

Fishing is a 12 month activity here in New Jersey. If you would like to learn how to extend your fishing season, check out the courses offered at the Pequest Natural Resource Education Center.
