

New Jersey Department of Environmental Protection Fish & Wildlife 2023 Spring Trout Allocations

This alphabetical listing of trout-stocked waters allows anglers to quickly reference an individual waterbody to obtain the weekly spring trout allocations. This schedule is subject to change and any deviations will be noted on NJDEP Fish & Wildlife's website (<http://www.njfishandwildlife.com>) and on the 24-hour Trout Stocking Hotline [(609) 322-9524]. Anglers should consult the 2023 NJ Freshwater Fishing Digest, pages 16 - 21, for a complete description of all trout fishing regulations, including special regulations and in-season stocking closures that may apply to individual trout-stocked waters. All trout stocked will be rainbow trout only.
