## SPPP Form 5 – Post-Construction Stormwater Management in New Development and Redevelopment Program

**Major Development:** How does the permittee define 'major development'?

**Approval Process:** Describe the process for reviewing and approving major development project applications for compliance with the stormwater management rules at N.J.A.C. 7:8 et seq. Attach a flow chart if available. Provide the location of the mitigation plan (if one exists) to allow for alternative locations or designs.

**Records:** Indicate the location of approved applications for major development projects.
