

Stormwater Program Coordinator Training Certification List

The Stormwater Program Coordinator Training Course was developed to ensure that the NJPDES MS4 General Permits are interpreted and implemented correctly and consistently throughout the state. Stormwater Program Coordinators (SPCs) for Tier A municipalities and Public Complex facilities are required to attend the training once every permit cycle. Information regarding the Municipal Stormwater Regulation Program can be found at <https://dep.nj.gov/njpdes-stormwater/municipal-stormwater-regulation-program/>.

Disclaimer: The individuals named herein have satisfied the training requirement to complete the Department approved Stormwater Program Coordinator Training Course which expires on the date listed for the respective individual. The date(s) listed herein supersede all previously published dates.
