

**Evaluation for Capping Technical Guidance**  
**NJ Department of Environmental Protection, Trenton, NJ**  
**November 20, 2014**

**We appreciate your attendance at today's presentations. Please take a few minutes to provide your thoughts about the session and ideas for future assistance.**

1. Please provide your comments about today's presentations. What worked or did not work for each of the following?

**Introduction and Document Overview** - Greg Neumann, NJDEP

**Low Permeability Caps and Permeable Caps** - Howard Nichols, TRC Environmental

**Sediment Caps** - Greg Neumann, NJDEP

**Helpful Hints for LSRP Submittals** - Kirstin Pointin-Hahn, NJDEP

2. How can we improve the presentations?
3. Was enough time allocated for each session?
4. What topics should we present at future training?
5. Please provide any additional information that will improve the training sessions. Feel free to continue on the back of this page for additional comments.
