Thank you to all who expressed interest! The Committee will have its initial kickoff meeting on November 1, 2023. The purpose of the committee is not to rewrite the eco guidance but will be to develop a FAQ paper for improving ecological evaluations at CSRR sites.

The background features abstract, overlapping geometric shapes in various shades of blue, ranging from light sky blue to deep navy blue. These shapes are primarily located on the right side of the slide, creating a modern, layered effect. The central area of the slide is a plain, light grayish-white.
