Subject [SRRA] Public Meeting on the Remedial Priority Scoring System

Development of the Remedial Priority Scoring (RPS) system was mandated pursuant to N.J.S.A.58:10-23.16 as amended in section 39 of P.L.2009, c.60 (Site Remediation Reform Act). A system has been developed to measure each site's relative risk to human and ecological health.

A public meeting is scheduled for May 24, 2010 from 9:00 am to 11:30 at the Public Hearing Room in the Department of Environmental Protection Headquarters at 401 East State Street, Trenton to explain the system and demonstrate the technologies and rationale behind the development of the system. Department staff will describe the system in detail and address questions and comments.
