Subject [SRRA] Petroleum Underground Storage Tank Remediation, Upgrade and Closure Fund (UST Fund)

On June 8, 2010, the Petroleum Underground Storage Tank Remediation, Upgrade and Closure Fund (UST Fund) released an updated version of the UST Fund application and instructions, FAQs, and Project Summary Sheets. The updated version has been enhanced to make filling out an application easier, and the Project Summary Sheets have also been updated with revised information and calculations. You will find these at the UST Fund website at:

<https://www.nj.gov/dep/srp/finance/ustfund/>

***** Also please note that effective July 1, 2010, the UST Fund utilized for Grants and Loans will no longer be available for any Remediation activities, including UST Closures, on Regulated tanks. *****
This deadline does not affect new applications for Unregulated tanks (which includes all residential heating oil tanks), or Supplemental applications for Regulated or Unregulated tanks.

This change is pursuant to a statutory revision of C58:10A-37.3 Petroleum Underground Storage Tank Remediation, Upgrade, and Closure Fund, Establishment. This revision modified Section 6- Application for Financial Assistance ; Fee.

All Regulated UST Fund applications received after June 30, 2010 will not be considered for funding. For additional information please contact the UST Fund at 609-777-0772.
