"Light Non-aqueous Phase Liquid (LNAPL) Initial Recovery and Interim Remedial Measures Technical Guidance" (Version 1.0 dated June 6, 2011)

"Response to Comments - Light Non-aqueous Phase Liquid (LNAPL) Initial Recovery and Interim Remedial Measures Guidance 6-6-11" Reforming the Site Remediation Program included establishing a stakeholder process to develop technical guidance documents required by the Site Remediation Reform Act. This final guidance document is the culmination of a stakeholder process that started in January 2010. This guidance document replaces the Draft LNAPL Guidance document that was previously posted in February 2010. Posted along with this guidance document are responses to comments that were received on the LNAPL Guidance Committee's Final Draft document.
