**To:** srra@listserv.state.nj.us  
**Date & Time:** 8/8/2011 5:23 PM  
**Subject** [SRRA] Technical Guidance Document Training Series - Immediate Environmental Concern (IEC)

Technical Guidance Document Training Series - Immediate Environmental Concern (IEC)

**Presenters:**

George Nicholas - Moderator

Drew Sites - NJDEP

Mark Fisher -The ELM Group

**Program Description:**

- Identification of potable water and vapor intrusion IECs
- Overview of the IEC process
- Overview of IEC tools
- Review of regulatory and mandatory timeframes
- IEC reporting requirements
- Vapor intrusion investigation - common problems
- Q & A

Two sessions will be held for the IEC guidance training:

- Thursday, September 8th at 9:00 AM -12:00 PM (8:30 registration check in) in the DEP Public Hearing Room, Trenton
- Wednesday, September 14th at 9:30 AM to 12:30 PM (9:00 registration check-in) at Montclair State University

You may attend via Webinar by registering for the September 8th session at <https://www1.gotomeeting.com/register/704435673>

You may attend via Webinar by registering for the September 14th session at <https://www1.gotomeeting.com/register/158228409>

The slides and resulting audio will be posted on the DEP and the LSRPA web sites for future reference.

In order to facilitate a working relationship between the Department and environmental professionals, these training sessions are open to both DEP staff and LSRPs. In person attendance is limited, so registration for all attendees will be on a first come first served basis.
