Subject [SRRA] Space still available for IEC training in September

Space is still available for training on the new IEC guidance document on September 8th at NJDEP in Trenton and on September 14th at Montclair State University.

By September 1st - Non-DEP staff must register to attend either session in person or participate via webinar - Please go to www.lsrpa.org to register. Please note: if attendance is low at the North Jersey venue (Montclair State) this session will be canceled.

The Webinar planned for both dates will proceed as scheduled.
