January 25, 2012 - [SRRA] Technical Guidance Document Training Series

* Vapor Intrusion Technical Guidance

From: SRRA <SRRA@dep.nj.gov>

To: srra@listserv.state.nj.us

Date & Time: 1/25/2012 11:08:36 AM

Subject [SRRA] Technical Guidance Document Training Series * Vapor Intrusion Technical Guidance

[SRRA] Technical Guidance Document Training Series * Vapor Intrusion Technical Guidance

Training on this topic will be held as follows:

Monday, February 13th from 9:00AM to 12:30 PM (check-in at 8:30 AM) in the DEP Public Hearing Room, 401 E. State Street, Trenton

Program Description of Vapor Intrusion Technical Guidance

The VIT Guidance is designed to help the investigator to comply with the requirements of the Department and properly assess the VI pathway. The technical guidance takes the investigator through the various stages of receptor evaluation, VI investigation, mitigation, monitoring and ultimately termination.

Presenters:

George Nicholas - Moderator

Brian Blum - Langan Consultants

John Boyer - NJDEP

Scott Drew - Geosyntec Consultants

In order to facilitate a working relationship between the Department and environmental professionals, these training sessions are open to both DEP staff and LSRPs. In person attendance is limited, so registration for all attendees will be on a first come first served basis.

Registration:

In order for non-DEP staff to attend in person, please register on the LSRPA website at:

www.lsrpa.org

Register for Webinar:

To register for the webinar please go to:

<https://www1.gotomeeting.com/register/232231321>

Presentation Materials:

The slides and resulting audio will be posted on the DEP and the LSRPA web sites shortly after the presentation for future reference.
