[SRRA] SRPLB Draft Rules

Greetings!

The Rules Committee of the Site Remediation Professional Licensing Board is seeking feedback on draft sections of the Board rules. You can view the draft rules on the Board's web site at:

<https://www.nj.gov/lspbboard/board/rules/index.html>

There are currently seven draft subchapters posted on the web site for review and comment. The most recent drafts approved for posting by the Board on November 19, 2012 include Licensing, Professional Conduct and Disciplinary Proceedings. Additional drafts will be posted as they are completed and approved by the Board. These draft rules are posted in accordance with the Board's policy, which requires that draft sections be posted for stakeholder input.

Be advised that this informal solicitation of feedback is independent of, and will precede the formal public comment period that is required under the Administrative Procedure Act at N.J.S.A. 52:14B-1 et seq. once the full rule is published as a proposal in the New Jersey Register. The comments that are received may be considered as part of the rulemaking process, but be aware that the Board is not obligated to respond to comments received as part of this informal process. Please send comments to: [SRPLBoardContact@dep.nj.gov](mailto:SRPLBoardContact@dep.nj.gov).
