[SRRA]: "Unregulated Heating Oil Tank Questionnaire" replaced with "Unregulated Heating Oil Tank (UHOT) System Remediation Form"

Please note that the "Unregulated Heating Oil Tank Program Questionnaire" has been replaced with the "Unregulated Heating Oil Tank (UHOT) System Remediation Form" and accompanying instructions. The previous Questionnaire included an incorrect mailing address that was preventing mail delivery, as well as outdated and incorrect information.

The new Form includes the correct mailing address, as well as updated rule citations and a revised fee section. Formatting changes make the new Form similar to other SRP forms, including a certification page for LSRPs to sign when they oversee unregulated heating oil tank cases.

Similar to the previous Questionnaire, the new Form will be used as a checklist to justify No Further Action letters issued by the Department for unregulated heating oil tank cases.

The link to the form may be found on the Department's web page at <https://www.nj.gov/dep/srp/unregulatedtanks/>

If you have any questions on the Form or accompanying instructions, please contact NJDEP's UHOT program at (609)633-0544.
