[SRRA]: Improved Vapor Intrusion Template Letters and Tables Available on the Site Remediation Program Web page

Improved vapor intrusion testing results template letters and tables and request for access template letters are available on the Site Remediation Program's web page at <https://www.nj.gov/dep/srp/guidance/vaporintrusion/templates>.

The improvements consist of minor modifications to the original template letters and tables in order to improve clarity. These template letters and tables are provided as a courtesy and their use is optional.

The Site Remediation Program does not plan to make additional changes to these template letters and tables in the near future. However, if you choose to use these template letters and tables, we recommend that you retrieve them from the web page every time you need them to ensure that you are using the most current versions.

If you have any questions about these template letters or tables, please contact NJDEP's Office of Community Relations at (609) 984-3081 or at (800) 253-5647.
