[SRRA]: Addendum - Pay a Paper Invoice Online Service Now Available to Pay SRP Bills

In the February 24, 2015 listserv announcement sent by the Site Remediation Program regarding the availability of the DEP Online "Pay a Paper Invoice" Service, the ability to pay the annual 1% Remediation Funding Source surcharge was omitted from the list of fees that CAN be paid through this online service.

As with other "initial" payments, because an invoice will not have been issued, the initial 1% Remediation Funding Source surcharge CANNOT be paid through the online service. However, all subsequent annual payments CAN be paid through the "Pay a Paper Invoice" Service. As with other payments that can be made using this online service, you will need your Invoice Number which can be found in the upper right corner of your invoice.
