[SRRA]: Status Update: Commingled Plume Technical Guidance

The "Commingled Ground Water Plumes" technical guidance committee has prepared an update regarding the status of the document. The status update describes what information is intended to be included in the technical guidance, as well as what will not be addressed by the document. The status update is available at www.nj.gov/dep/srp/guidance/status_update_commingled_plume_tech_guidance.pdf, or through the "What's New" section of the main Site Remediation Program web page (www.nj.gov/dep/srp).
