[SRRA]: New interim ground water quality standards posted

The New Jersey Department of Environmental Protection announces that new interim ground water quality standards have been posted for 12 compounds. The list of compounds and interim ground water quality standards is available through the Division of Water Monitoring and Standards website (www.nj.gov/dep/wms/bears/gwqs_interim_criteria_table.htm).

The Site Remediation and Waste Management Program will implement these new interim ground water quality standards as described on its web page available at www.nj.gov/dep/srp/regs/gwqs/srwmp_implementing_11-25-15_interim_gwqs.pdf.
