[SRRA]: NJDEP Site Remediation & Waste Management Program Announces the
Availability of New Electronic Submission Guidance

The New Jersey Department of Environmental Protection announces the availability of administrative guidance regarding the submission of electronic documents on compact disc or other portable media. The guidance recommends a file naming protocol and other helpful hints that Licensed Site Remediation Professionals can use to improve the efficiency of administrative processing, inspection and review of forms, applications, documents, lab deliverables and maps submitted to the Department electronically on compact disc or other portable media.

This administrative guidance is available for viewing and downloading on the SRWMP's Guidance Library webpage at
