[SRRA]: Revised Remedial Action Permit for Ground Water guidance available

The New Jersey Department of Environmental Protection (Department) would like to announce the availability of the revised "Ground Water Remedial Action Permit Guidance."

This guidance is developed to assist the Licensed Site Remediation Professional and permittee(s) in determining when and who is required to obtain a Ground Water Remedial Action Permit and to assist in navigating the Ground Water Remedial Action Permit process. This guidance is not intended to supersede any rule or regulation.

This guidance document is now available on the Site Remediation webpage in the "Permits" section of the Site Remediation Guidance Library at [www.nj.gov/dep/srp/guidance/#rap\\_gw](http://www.nj.gov/dep/srp/guidance/#rap_gw).
