[SRRA]: Updated Presumptive and Alternative Remedy Technical Guidance Document available

The NJ Department of Environmental Protection announces the availability of the Presumptive and Alternative Remedy Technical Guidance Document (Version 2.1, February 2018). The updates include minor clarifications, additional guidance links, and clearer examples of "equally protective over time".

This updated technical guidance document and corresponding change log can be found on the SRP Guidance Library (www.nj.gov/dep/srp/guidance/).
