[SRRA]: New Jersey Site Remediation Professional Licensing Board announces online payment option for LSRP License Fees

The New Jersey Site Remediation Professional Licensing Board (Board) is pleased to announce that licensed site remediation professionals can now pay their Annual Licensing Fee Invoice and Renewal Licensing Fee Invoice through the Online service. This service is not mandatory, and invoices may still be paid by check via mail. If you are currently in the license renewal process and have not already submitted a check, you can use this service to pay the Renewal Fee Invoice effective immediately. There will be a service charge equal to 1.9% of the amount being charged plus \$1.00.

If paying online, go to www.nj.gov/dep/online/ and select "pay for a license." Then enter invoice and license number, and follow the onscreen instructions.

If paying via mail, continue to make checks payable to TREASURER-STATE OF NEW JERSEY. Put the invoice number on the check's memo line and return the payment stub and check to the address listed on the bottom right of the invoice.

NOTE REGARDING UPDATE OF BILLING/ADDRESS INFORMATION: The online "Pay a License" system includes screens to update your mailing address. At the present time these screens do not work properly for the LSRP license. The Board is working with the New Jersey Department of Environmental Protection to remedy this, and you will be notified when this corrected functionality is available. In the meantime, please do not use these screens to update your address. Regardless of the payment method being used, to update billing information at this time please email SRPLBoardContact@dep.nj.gov. For general information regarding the Board, go to www.nj.gov/lrspboard/.
