[SRRA]: Updated Historically Applied Pesticide Site Technical Guidance now
available

The New Jersey Department of Environmental Protection announces the
availability of the revised Historically Applied Pesticide Site Technical Guidance
(Version 3.0, December 2018).

The Historically Applied Pesticide Site Technical Guidance has been updated to
include additional information on the investigation of golf courses, as well as to
clarify other parts of the document.

This updated technical guidance document and corresponding change log can be
found on the SRP Guidance Library (www.nj.gov/dep/srp/guidance/).
