[EXTERNAL]: Reminder - LSRP requirement to notify when timeframes will not be met

This is a reminder from the Site Remediation Professional Licensing Board (Board) to licensed site remediation professionals (LSRPs) that notification must be made to the Person Responsible for Conducting the Remediation (PRCR) that a regulatory timeframe will not be met, pursuant to the Regulations of the New Jersey Site Remediation Professional Licensing Board, N.J.A.C. 7:26I-6.8(b), and notification must be made to both the PRCR and the New Jersey Department of Environmental Protection (Department) when a mandatory or expedited site-specific remediation timeframe will not be met, pursuant to N.J.A.C. 7:26I-6.8(c). A courtesy copy of the Board rules is available at [www.nj.gov/lrspboard/board/rules/njac7\\_26i.pdf](http://www.nj.gov/lrspboard/board/rules/njac7_26i.pdf).

The notification to the Department must be made on the form "Notice of Failure to Comply with a Mandatory or Expedited Site-Specific Remediation Timeframe" available at [www.nj.gov/dep/srp/srra/forms/notice\\_to\\_comply\\_form.pdf?version\\_1\\_0](http://www.nj.gov/dep/srp/srra/forms/notice_to_comply_form.pdf?version_1_0).

The submittal of a request to the Department for an extension to a timeframe using the "Remedial Timeframe Notification Form" ([www.nj.gov/dep/srp/srra/forms/rem\\_timeframe\\_notification.pdf?version\\_1\\_3](http://www.nj.gov/dep/srp/srra/forms/rem_timeframe_notification.pdf?version_1_3)) does NOT fulfill the notification requirement of N.J.A.C. 7:26I-6.8(c).
