Contaminated Site Remediation & Redevelopment (CSRR) is pleased to announce updates to our website. The streamlined website is designed to assist LSRPs, environmental consultants, and homeowners to navigate the website quicker and easier. The updated website includes an enhanced search function and updates to many of the most popular pages. The updated website can be accessed at <https://dep.nj.gov/srp/>.

We would appreciate any feedback or questions you may have regarding the updated website. Please direct your feedback and questions to srpweb@dep.nj.gov or the Bureau of Information Systems at 609-940-4761.

The New Jersey Department of Environmental Protection is dedicated to protecting New Jersey's environment and public health. The agency prioritizes addressing climate change, protecting New Jersey's water, revitalizing its communities and managing and promoting its natural and historic resources.
