Subject Receptor Evaluation Frequently Asked Questions is now available!

Contaminated Site Remediation & Redevelopment (CSRR) is pleased to announce that the Receptor Evaluation Frequently Asked Questions (RE FAQs) has been updated. The RE FAQs is available on our Forms page at [NJDEP | Contaminated Site Remediation & Redevelopment Program | Forms](#) under the heading of RAO, Receptor Evaluation and CEA Forms. The previous version of the RE FAQs has been removed from the Training page.

The information in the RE FAQs provides environmental professionals, including Licensed Site Remediation Professionals, additional information and guidance on completing the receptor evaluation.

Training on the RE FAQs will be conducted as part of the Hot Topic training on June 4, 2024.

The New Jersey Department of Environmental Protection is dedicated to protecting New Jersey's environment and public health. The agency prioritizes addressing climate change, protecting New Jersey's water, revitalizing its communities and managing and promoting its natural and historic resources.
