

Contaminated Site Remediation & Redevelopment

From NJ Department of Environmental Protection
To NJDEP@public.govdelivery.com
Date & Time 7/25/2024 11:01 AM
Subject SAVE THE DATE: September 17 Technical Guidance Training

On Tuesday, September 17, Contaminated Site Remediation & Redevelopment (CSRR) will provide training on the following technical guidance documents:

- **Field Sampling Procedures Manual (FSPM)** – [Chapter 3](#), 2024 Edition, posted March 2024
- **Technical Guidance for the Attainment of Remediation Standards and Site-Specific Criteria** – Version 3.0, to be posted August 2024

The virtual training will begin at 9 am via GoToWebinar. A separate e-mail with more detailed information on the training content and registration process will be forthcoming.

The training will be posted to the [Field Sampling Procedures Manual webpage](#) and the [CSRR Training webpage](#) after the training has been completed.

The New Jersey Department of Environmental Protection is dedicated to protecting New Jersey's environment and public health. The agency prioritizes addressing climate change, protecting New Jersey's water, revitalizing its communities and managing and promoting its natural and historic resources.
