Subject Registration issues for the September 17 Training

Contaminated Site Remediation & Redevelopment (CSRR) is experiencing issues with our webinar accounts, which is preventing individuals from registering for the [September 17, 2024 training event](#). CSRR is working through the issue with the platform administrators and will send an update once the issue has been resolved and registration is reopened. We apologize for any inconvenience.

The New Jersey Department of Environmental Protection is dedicated to protecting New Jersey's environment and public health. The agency prioritizes addressing climate change, protecting New Jersey's water, revitalizing its communities and managing and promoting its natural and historic resources.
