Date & Time 9/5/2024 10:20 AM
Subject Registration issues for the September 17 Training have been resolved

On September 2, 2024, Contaminated Site Remediation & Redevelopment (CSRR) began experiencing issues with our webinar accounts that prevented individuals from registering for the [September 17, 2024 training event](#). The issues have been resolved and the registration has reopened. A confirmation email has been sent to those currently registered. If you did not receive this confirmation, you may need to re-register. For more information on the training and how to register, visit: https://dep.nj.gov/wp-content/uploads/srp/listserv-archives/20240830_srra.pdf.

The New Jersey Department of Environmental Protection is dedicated to protecting New Jersey's environment and public health. The agency prioritizes addressing climate change, protecting New Jersey's water, revitalizing its communities and managing and promoting its natural and historic resources.
