Subject Instructions for the Prioritized Initial Remedial Action Permit (RAP) Application Addendum are now available!

Contaminated Site Remediation & Redevelopment (CSRR) is pleased to announce the availability of the instructions for the Prioritized Initial RAP Application Addendum.

These instructions will assist the LSRP in determining if a site is eligible for Prioritized Application Addendum submission and how to complete the addendum form. These instructions were reviewed by the RAP stakeholder group and address frequently asked questions.

Questions regarding the Prioritized Initial RAP Application Addendum as it relates to soil should be directed to Crystal Pirozek at Crystal.Pirozek@dep.nj.gov.

Questions regarding the Prioritized Initial RAP Application Addendum as it relates to ground water should be directed to Robert Hawke at Robert.Hawke@dep.nj.gov.

Questions on other RAP topics should be directed to the Bureau of Remedial Action Permitting (BRAP) duty officer at 609-984-2990.

These instructions are available in the Forms Library under Remedial Action Permits: <https://dep.nj.gov/srp/forms/>. As a reminder, check the Forms Library to ensure you are using the current version of all forms.

The New Jersey Department of Environmental Protection is dedicated to protecting New Jersey's environment and public health. The agency prioritizes addressing climate change, protecting New Jersey's water, revitalizing its communities and managing and promoting its natural and historic resources.
