Notice to Receive Interested Party Comments on Proposed Consent Decree in the Matter of *New Jersey Department of Environmental Protection, et al. v. Atlantic Richfield Co., et al.*, No. 08-CIV-00312

Take notice that the New Jersey Department of Environmental Protection (Department) hereby gives notice of a proposed Consent Decree concerning a settlement with Marathon Oil Corporation and Marathon Petroleum Company LP (f/k/a Marathon Petroleum Company LLC), which can be contacted via its attorneys: Steven Leifer, Esq., Baker Botts LLP, 1299 Pennsylvania Avenue, N.W., Washington D.C. 20004.

The Department of Environmental Protection instituted this lawsuit in June 2007 against nearly fifty companies alleging that they were responsible for contamination of waters of the State of New Jersey with the gasoline additive methyl tertiary butyl ether (MTBE). The defendants include MTBE manufacturers and refiners and major-brand marketers of gasoline containing MTBE. The defendants also include companies within the chain of distribution of gasoline containing MTBE in the State of New Jersey. The Department alleges that it has identified over 5,000 sites where MTBE has been detected in the waters of the State. The State seeks monetary damages as well as cleanup of the MTBE in the waters of the State.

Under the proposed Consent Decree, Marathon Oil Corporation and Marathon Petroleum Company LP (f/k/a Marathon Petroleum Company LLC)(the Marathon Defendants) have agreed to settle alleged liability for past cleanup and removal costs, future cleanup and removal costs (based on specific representations by the Marathon Defendants of the very limited role they had

in the gasoline market in New Jersey), and damages by paying \$255,000 to the Department. In addition, the Department would be releasing and covenanting not to sue the Marathon Defendants for claims under the (i) common law and (ii) statutory or other theories of products liability with respect to MTBE discharges into waters of the State of New Jersey. This settlement only concerns MTBE contamination and does not address contamination by any other hazardous substances, pollutants, or contaminants. The Marathon Defendants' remediation obligations, if any, are not affected by this settlement.

This Consent Decree would constitute a judicially approved settlement under the New Jersey Spill Act, N.J.S.A. 58:10-23.11f(b), and the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. § 9613(f)(2), for the purpose of providing protection from contribution actions or claims for matters addressed in this Consent Decree.

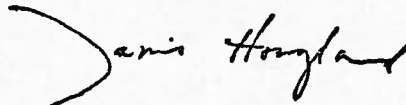

A copy of the proposed Consent Decree is available for inspection via the internet at <http://www.nj.gov/dep/srp/legal/> and at the Department's Office of Record Access office at 401 East State Street. Requests to inspect a paper copy of the proposed Consent Decree should be directed to records.custodian@dep.state.nj.us.

Written comments on the entry of this Consent Decree may be submitted electronically to MTBESettlement@dep.state.nj.us, referencing "MTBE Marathon Settlement" in the subject line of the email. Electronically submitted comments must be provided as portable document format (PDF) files. Alternatively, comments may be submitted in hard copy to:
